DETAILED ACTION

Claims 1, 4, 7-9, 16-19, 27, 28 and 38-41 are currently pending and are allowable over the prior art of record. Applicants' amendment filed 6 December 2007 has removed the new matter from the claims and overcome the claim objections and 35 USC 112 1st paragraph rejection.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance. This invention relates to products of the formulas as found in claim 1 and the compounds of claim 38 and 40. The novel and nonobvious aspect of this invention involves the formulas as found in claim 1 and the compounds of claim 38 and 40. The closest prior art of record fails to teach or suggest applicants' instantly claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
